16th May 2011

Dear Parent/Carer,

Dragonfly Day Friday 1st July 2011

As one of our more able science students, your daughter is being asked if she would like to take part in this year's "Dragonfly Day", at Salford University on **Friday 1st July**. This is a taster day to give Yr 10 girls interested in Maths, Science or Design and Technology the opportunity to find out more about life at University and careers in Engineering.

Most of the day will consist of hands-on activities to practice their engineering skills, problem solving and team working. By the end of the day they will have found out more about careers in engineering, life at university, thought about subjects they will need to continue with at school and they will have met girls currently in Yr 12 who are considering doing a Science, Technology, Engineering or Maths course at University.

This will involve your daughter being **out of school for the whole day**. She will need to register at **8.30am** in the school reception, will travel by school minibus to the University of Salford and will return by **3.30pm** (traffic depending!). The girls will not need to wear school uniform. Lunch and drinks will be provided (please inform us of any special dietary requirements).

This event is one of several organised nationally by the Headstart organisation of the Royal Engineering Academy and funded by them, so there is no cost to attend this exciting opportunity. We have only been allocated 10 spaces at this event and will therefore issue places to the first 10 students to return their signed return slips. (If necessary we will keep a waiting list). Please complete the attached return slip as soon as possible and ask your daughter to return it to Mr Miller or Mrs Bristowe by lunchtime on **Friday 27th May** so that we know whether or not she wishes to attend.

Yours sincerely

Mr J E Miller

Physics Teacher

Mrs A McPartland

Business Manager

REPLY SLIP: Please return to Mr Miller or Mrs Bristowe (S13/S24) by Friday 27th May

Visit to the 'Dragonfly day' at the University of Salford on Friday 1st July 2011

STUDENT NAME: _____ **FORM:** _____

I/We give permission for our son/daughter to participate in the above trip/activity.
