Dear Parent/Carer

I am organising for a team of Gifted and Talented geographers and economists to take part in a Global Sixth Form Conference at Liverpool Hope University. This year's programme is entitled 'Dying for Life' and it will address issues of maternal health in the developing world. This is a fantastic opportunity for students to explore this challenging global issue with students from other schools from around the country.

The conference takes place on Wednesday 9th November and students will be taken to and from the event by school minibus. We will need to leave school at 8.30am and we would anticipate being back at school between 4.30pm and 5.00pm. Students will need to bring their own packed lunch.

Your son/daughter has been selected to participate in this event. If you wish your son/daughter to take part then please complete the attached reply slip and return it to Mrs Reynolds by 4th November.

Yours sincerely
